Based on the 2011 roster, certain age groups will be impacted again this season. Returning swimmers and families will have first priority registering. Please register February 8th to guarantee acceptance to the team. We hate to turn any swimmer away from the team, however based on projected numbers, new 9/10 girls will be placed on a wait list and will be notified if there is room after registration. Please submit applications on registration night, no payments will be processed until ensured a spot on the team.

** Please note: To participate in the 2012 swim season, new 6 and under swimmers must be able to **complete ½ lap unassisted** including grabbing onto lane lines. A swim test date for new 6 and under swimmers will be announced closer to the season start date. Stoke and turn clinics will be held in March and private lessons are available. Please contact Coach Beth at the club for details.
